

HEAVY DUTY OVEN CLEANER

- **Powerful** - removes severe grease, grime and carbon
- **Active gel** - clings to surfaces for maximum action
- **Solvent free**

A heavy duty, clear liquid gel designed for the rapid removal of grease and charred food debris.

USES

A powerful liquid gel, which penetrates, emulsifies and dissolves severe soiling. Vanquish is based on 20% Sodium Hydroxide to ensure rapid action.

Ideal to rapidly remove charred food debris, dried bloods, fats and grease from a range of surfaces, including; ovens, deep fat fryers, extraction hoods and filters, grills, skillets, waffle bakers and equipment.

Recommended for use in all kitchens and food plants to clean heavily soiled equipment.

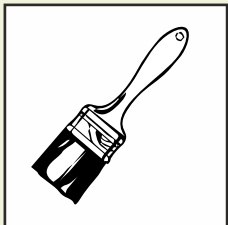

DIRECTIONS

OVEN/EQUIPMENT CLEANING: Always wear rubber gloves and safety glasses during use. The oven or equipment should be turned off, and be no hotter than 40°C.

Use Vanquish undiluted. Apply a thick, even layer to the surface using a brush, sponge or cloth. Depending on the level of soil, allow between 5-30 minutes contact time. Agitate using an abrasive cloth and rinse thoroughly with clear water.

N.B. Do not use on aluminium, Zinc or other alkali-sensitive surfaces.

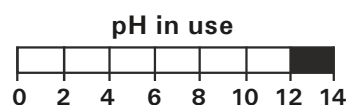

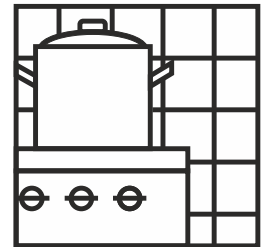

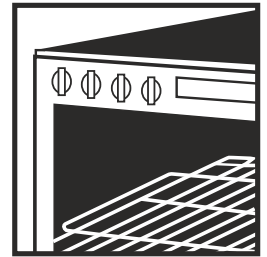

DRAINS: Pour 50ml-100ml Vanquish down kitchen drains on a daily basis to keep them sweet smelling and prevent build-up of fat and grease.

Please note, this product will get thinner at temperatures below 10°C.

In order to achieve maximum performance, please use the product at a temperature of more than 10°C.
