All Purpose Multi Surface Cleaner

GC2

AP10 is a multi-surface cleaner designed to effectively clean, freshen and enhance all hard surfaces and leave a bright satin finish.

AP10 can be used for general mopping or applied through sprayer bottles as a surface cleaner.

Designed with a low foam formula, AP10 can also be used in scrubber dryers and other cleaning machinery.

With a fresh, fragrant aroma AP10 is pleasant to use whilst leaving all areas of use feeling bright, hygienic and clean.

Suitable for use on terrazzo, anti-slip flooring, laminate, metallised polish, ceramic tiles, aluminium, stainless steel, laminate and any washable surface.

Designed for professional use.

BENEFITS

- Cleans effectively, leaving a lasting, fresh fragrance.
- Controlled foam for fast application
- Enhances the appearance of surfaces
