### Almond & Aloe Vera Hand Soap

SC2

Arbor is our universal cleansing and conditioning hand soap.

Mild, fragrant hand soap enhanced with Aloe Vera & Almond Oil to gently clean and condition skin.

Lathers into a rich silky foam and leaves a subtle almond blossom fragrance.

Suitable for use in all industrial and commercial environments.

**Designed for professional use.**

#### BENEFITS

- Contains aloe vera to provide moisture to the skin.
- Produces a rich, silk-like foam.
- Subtle, almond blossom fragrance.

#### HOW TO USE

Wet hands and apply Arbor.

Rub well into skin, creating a rich lather and ensuring contact with the entire surface of the hand and wrist.

If needed use a nail brush to clean under nails. Then rinse away with clean water and dry hands.

Dispenser Refill: Pour from the 5 Litre bottle directly into the dispenser container.
