Washroom & Toilet Cleaner

WC1

ATC is a thick fragrant concentrated washroom cleaner, descaler and deodoriser that removes limescale, organic deposits, body fats and soap scum rapidly, leaving toilets, urinals and almost any washroom surface fresh and clean. Contains safe sulphamic and citric acids to dissolve limescale and organics, easily removing grease, body oils and scum.

ATC can also clean commodes, bed pans, urinal bottles and sluices.

Safe on porcelain, stainless steel, chrome, ceramic and tiled surfaces.

Do not use on vitreous enamel.

Designed for professional use.

BENEFITS

- Cleans, descales and deodorises in one operation.
- Viscous liquid clings to surfaces for effective cleaning
- Safe on stainless steel

HOW TO USE

Apply onto surface and agitate if necessary wipe clean then wash and rinse surface thoroughly.
