

PRODUCT INFORMATION

BLU+

pH:7
Neutral

Neutral Cleaner & Degreaser

CC5

Blu+ is our highly concentrated non-solvent detergent degreaser, ideal for use in a wide variety of environments & industries.

Containing a unique blend of emulsifiers, Blu+ is capable of quickly removing food oils & fats.

Its pH neutral, odourless and phosphate-free formula makes it the ideal choice for use within the food industry for daily cleaning.

Extremely versatile, Blu+ is also an amazing all-purpose, problem-solving cleaning solution for use on almost any surface due to its unique, pH neutral formula.

Blu+ will remove wet grease, animal fats, mineral oils and diesel spillages from all impermeable surfaces such as concrete, paviers, tarmac, floors, walls and even carpets.

Designed for professional use.

BENEFITS

- Blend of emulsifiers easily remove food fats and oils.
- Safe to use on all washable surfaces.
- Odourless - Suitable for use in the food industry.

HOW TO USE

Dilute as below. Apply using a mop, spray, brush or machinery.

Agitate and rinse away or extract soil (if extraction machine is being used).
