

PRODUCT INFORMATION

GATOR

pH:1
Acid

Extra Strong Acidic Cleaner

HD6

Gator is our highly concentrated multi-purpose acidic cleaner, ideal for removing severe scale, efflorescence, concrete splashes and rust staining.

Use Gator for cleaning concrete floors, brickwork and stone. Gator will also remove unsightly concrete and plaster splashes as well as removing dust and rust staining on quarry plant and equipment.

Gator is ideal for etching floors prior to painting, Gator is also perfect for washroom deep cleans.

Safe for use on porcelain and with a low odour formula, Gator will not emit any choking fumes. Gator is ideal for use in a wide range of environments.

Designed for professional use.

BENEFITS

- Dissolves scale build up and rust with ease.
- Low odour, no choking fumes.
- Suitable for cleaning concrete, porcelain, brickwork and stone.

HOW TO USE

Dilute as below, apply to surface and allow contact time, agitate if needed.

Rinse surface with water once cleaned. Always test surface prior to use.

Do not use on acid sensitive surfaces.
