

AUTODISH SAFE

Ecological automatic dishwasher detergent

GREEN'R Autodish Safe is an aluminium safe automatic dishwasher liquid which is suitable for use in hard and soft water areas. This innovative formula has been designed to clean all kitchen items with minimal risk.

METHOD OF USE

1 Wear correct PPE when changing dishwashing tubes.

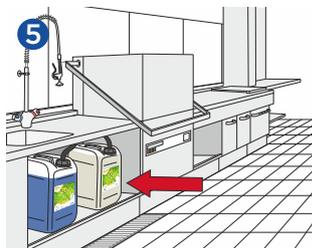

2 Turn off the dishwasher and remove the existing detergent.

3 Carefully remove the dishwashing tube out of the GREEN'R Autodish Safe container.

4 Place the tube into the new container of GREEN'R Autodish Safe.

5 Put the GREEN'R Autodish Safe by the dishwashing machine.

6 Run the dishwasher cycle to ensure the product is pulling through.

PRODUCT DESCRIPTION

GREEN'R offers an answer to the new, ecological hygiene standards with an extensive range of well-performing eco labelled products. The products are nontoxic and do not harm the environment.

GREEN'R Autodish Safe is an aluminium safe automatic dishwasher liquid which is suitable for use in hard and soft water areas. This innovative formula has been designed to clean all kitchen items with minimal risk.

INSTRUCTIONS FOR USE

Recommended dosages: Water hardness

Soft

Lightly soiled dishes 0.5 g / L – 0.45 ml/L
Heavily soiled dishes 1.0 g / L – 0.9 ml/L

Medium

Lightly soiled dishes 1.0 g / L – 0.9 ml/L
Heavily soiled dishes 1.5 g / L – 1.35 ml/L

Hard

Lightly soiled dishes 1.5 g / L – 1.35 ml/L
Heavily soiled dishes 2.0 g / L – 1.79 ml/L

To wash as efficiently as possible, respect the recommended doses, in order to avoid waste and limit rewashing. This product is dosed automatically to reduce the risk of contact and optimize its use. It is important to respect the recommended temperature: 50-55 ° C. If the dishes are heavily soiled rinse them before placing them in the machine.

Not suitable for use on brass, chrome, copper, and other alkaline sensitive surfaces.

Please contact your local sales representative for further information.
