CITRUS HAND CLEANER WITH SCRUBBING AGENTS

- Contains scrubbing agents for maximum performance.
- Safe to use on all washable surfaces.
- Orange oils provide a pleasant fragrance.

USES

Grime Buster is our superior citrus beaded hand wash, capable of eliminating oil, grease and stubborn dirt from hands easily and quickly. Containing natural oils and scrubbing agents for maximised performance.

Super powerful, Grime Buster will remove oil, grease, ink, bitumen, asphalt, tar, paints, plaster, creosote, mud and ground in soils from skin whilst still remaining gentle hands.

Grime Buster is suitable for use through beaded wall mounted hand soap dispensers as well as via the Grime Buster specific stork / pelican pump. Manufactured to a carefully controlled non-drip consistency.

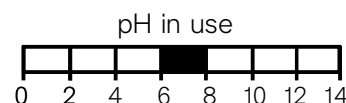

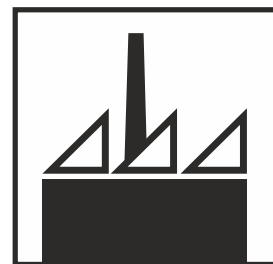

Free from Polybeads - Complaint with UK & EU legislation.

DIRECTIONS

Apply Grime Buster to dry hands, rub in well, rinse grime away with water then dry hands.
