

PRODUCT INFORMATION

JELLO LEMON

pH:8
Alkali

Gel Floor Cleaner & Maintainer

FC3

Professional blend of natural lemon oils, soaps and detergents blended to produce a premium quality gel. Suitable for mopping or spray burnishing on most floor types. Biodegradable, low foam and phosphate free formula for effective cleaning and re-odourising. A proven best-seller Jello Lemon can be used for effective daily cleaning and maintenance of all floors included sealed and polished floors. Jello Lemon will not remove or dull polish when used correctly. Suitable for use on most floor types including: PVC, linoleum, thermoplastic, sealed cork, terrazzo and sealed wood. Recommended for use with our Supershine Floor Finish for optimum results. **Designed for professional use.**

BENEFITS

- Blend of natural lemon oils, soaps and detergents
- A regular use cleaner to maintain hard surfaces.
- Biodegradable, low-foam and phosphate free.

HOW TO USE

Floor Cleaning & Maintenance:
Dilute at 1:100 (10ml per Litre). Mop and allow to dry. Burnish if required.

Spray Burnishing:
Dilute at 1:40 (20ml per Litre) into a spray bottle or solution tank on machine. Spray directly onto floor and machine burnish to a high gloss.
