Candy Deodoriser & Disinfectant

DC3

O-Fresh is our concentrated candy fragranced deodoriser disinfectant capable of killing odour producing bacteria and fungi as well as neutralising unpleasant odours. Highly effective, O-Fresh will get to work immediately, killing bacteria and leaving a fresh bubblegum candy fragrance.

Kills MRSA. Kills 99.999% of bacteria. Passes EN 1276 at 1:30.

Ideal for use in areas such as washrooms, kennels and changing rooms on floors, toilets, drains, rubbish bins, waste disposal chutes, carpets and any other surface or area that requires fast and efficient deodorisation and disinfecting.

O-Fresh can also be used as an air sanitiser and surface disinfectant, simply dilute into a spray bottle as directed and spray into air or onto surfaces as desired, then wipe off surfaces. Heavily soiled surfaces should be rinsed clean, before disinfection. Always use a fresh solution.

Designed for professional use.
