

# PRODUCT INFORMATION

## RAPID

pH:1.7  
Acid

### Toilet Cleaner & Descaler

VC1

Rapid is a concentrated toilet cleaner and descaler, with a thick, fast action formulation to cling longer to surfaces for powerful cleaning performance.

Rapids' advanced formulation dissolves organics, removes limescale, body fats and soap scum rapidly, leaving toilets and urinals fresh and clean.

Do not use on acid sensitive surfaces such as marble, terazzo, chrome or enamel.

Do not leave neat material in prolonged contact - always rinse off.

Avoid acid sensitive surfaces. Avoid chrome. Safe on stainless steel.

**Designed for professional use.**

### BENEFITS

- Cleans & descales in one operation.
- Safe on stainless steel.
- Clings to surfaces for effective cleaning.

### HOW TO USE

**Toilet Bowls - Heavy Soiling:** Remove water from bowl, pour neat product over applicator & spread evenly over the bowl, under the rim & around water inlets. Agitate, flush and rinse applicator.

**Regular Cleaning:** Apply above water line & around rim, leave for 10-15 minutes before flushing.

**Urinals:** Apply to surface with applicator, agitate as necessary to remove stubborn stains. Leave to flush & rinse applicator.

**Hard Surfaces:** Dilute as required with cold or hand hot water. Wash the surface & rinse thoroughly.

### PRODUCT SIZES

1 Litre
